Areas of Expertise Include:

- ✓ building renovations
- ✓ horizontal trades
- ✓ demolition of buildings & structures
- ✓ new construction
- ✓ excavation
- ✓ roofing work
- ✓ concrete work
- ✓ drainage work

### Differentiators

Tri Vet Contracting Company, Inc. is a self-performing general contractor specializing in government, commercial, and industrial construction and remodeling projects. Our management team has over 80 years of combined experience in the Construction Industry.

Tri Vet is a current Multiple Award Task Order Contract (MATOC) holder for US Property and Fiscal Office for PA.

Tri Vet is experienced at simultaneously managing multiple large projects by partnering with customers and subcontractors to provide exceptional service through efficient management practices, pride in workmanship, and timeliness in completion.

### Past Performance

Tri Vet has completed numerous projects for the Lebanon VA Medical Center, including:

- |                       |                          |
|-----------------------|--------------------------|
| 1-3B Security Ceiling | 18-147 C & P Clinic Move |
| Smoking Shelter       | Impound Area & Fence     |
| Bldg. 1 Rock Removal  | Loading Docks            |

Tri Vet has completed forty-eight (48) individual task order contracts within our past and current MATOC contracts for nearly \$26M in total, including the following:

- Fort Indiantown Gap (FTIG) Phase I Roof and Building Renovation
- FTIG Redhorse Beddown Building 202
- FTIG Building 10-09 Renovation
- FTIG Building 10-14 Renovation
- FTIG WWII Building Renovation, Phase I
- FTIG WWII Building Renovation, Phase II

### Company Profile

In October 2007, Navy "Seabee" Veteran, William Griffiths launched Tri Vet Contracting Company, Inc. Griffiths was fueled by a commitment to excellence and a passion for Construction which was ignited during his service with the Naval Construction Force Battalion. The company was named to immortalize his three tours of duty in Vietnam. The same "Can Do!" spirit is the unwavering foundation that the entire Tri Vet Organization has been built upon. The Tri Vet team takes seriously their founder's commitment to ***excellence in construction and pride in quality***, as well as a dedication to safety.
